

SMILEYS™

HAPPY - GO
TEARLESS

SWEET & CRUNCHY
GROWN IN USA

MEET SMILEYS™!

Naturally tearless and sweet - with Smileys™, the volatile compounds that make you cry in ordinary onions decrease over time, leaving you with a consistently mild, sweet, and virtually tearless onion.

Grown in Washington State: The Happy-Go-Tearless™ onions remain in storage until they meet the brand excellence of peak tearlessness and sweetness.
